UNITEE TEAM

Agenda :

Introduction

Every big idea starts with one small spark... and ours started with a T-shirt!

What happens when six friends mix creativity, style, and a bit of chaos?
You get Unitee! ✨

We're Mohamed, Lamyaa, Areej, Mona, Shimaa, and Amira — six friends who turned a fun idea into something real.

At Unitee, we believe a T-shirt isn't just fabric — it's confidence, connection, and creativity.

We started Unitee because we wanted T-shirts that speak our language — bold, fun, and real.

“So today, we're not just presenting a brand — we're inviting you to be part of the Unitee story.” ❤️👕
